

American Celebration on Parade, New Market and the American Frontier

**3 Days/2 Nights
New Market to Staunton**

American Celebration on Parade Come join the celebration – American Celebration on Parade! The Shenandoah Valley’s newest attraction is a unique collection of stunning parade floats, props, and stage settings from American entertainment and political history. You’ll find floats from the Rose parade, Presidential Inaugurals, Thanksgiving parades and many other prestigious parades. You’ll recognize many of these floats and other celebration art pieces

and you will be amazed at their size and beauty.

In addition you will tour the **Shenandoah Caverns** here you'll see formations so unusual they were featured in *National Geographic*. Tour the **New Market Battlefield** where VMI students fought. Walk in the field of “lost shoes” as your guide re-creates the scene from 1864.

Discover little known facts about our 28th President Woodrow Wilson exploring his birth home and fascinating Library. Browse through the American frontier at a very unique museum. This museum has four fully built frontier homes that show the progression of time and the cultures in the Shenandoah Valley. **Tour and tasting** of at least one winery is a must when visiting the Valley. Another must is the **Blackfriars Shakespeare Theatre** in Staunton. If you think Shakespeare was dry reading you will be delightfully surprised when you experience his plays.
